

Info bank

The Info bank contains short [articles](#) providing expert information on alcohol, drugs, addictions and their treatment. The articles have been divided into the following groups:

- Alcohol
- Drugs, medicinal substances and other intoxicants
- Tobacco
- Gambling, other behavioural addictions and their treatment
- Substance use and health
- Substance use and mental health
- Substance use and family
- Substance use and special groups
- Substance abuse treatment
- Substance use and society
- Substance use and traffic

The [FAQ section](#) contains frequently asked questions about substance use.

The [‘Drugs and the Brain’ animation](#) illustrates how various substances affect the brain.
